

The Family Cow

Saturday July 10th from 12:30 pm – 4:30 pm

At Earthwise Farm & Forest, Bethel, VT

Cost: \$60 per person

This class is designed to help you navigate the new and exciting world of owning and caring for your family cow & calf. This may also be an entry point for you to get into selling raw milk from the farm, or having a beef cow (as a result any bull calves born).

Items to discuss will include:

- * Housing & Husbandry
- * Animal Health & Calf Care
- * Grazing Management
- * Breeds and Breeding
- * Animal Nutrition
- * Milking Equipment, cleansers & Milk Quality Testing
- * Marketing your milk; raw milk regulations in VT
- * What does it mean to be certified organic when it comes to husbandry, housing, health & feed.

A handout will provide you with basic need-to-know information, plus a listing of useful books, and businesses that can supply you with the feed, nutritional supplies and other items that you will want to have at your fingertips.
